1. I give and I take not away, I give and I take not away, I give and I take not away, I give and I give and I give now. I give and I give; I give and I reveal and all is open. All is open and those who look at these words and just think they are repetition do not know what is implicit, explicit, and what is coming forth and what, yea, now is. I love you. See Me, grasp Me, grasp My heart with yours and all that I am saying as I say and say and repeat, emphasizing My lowly, lowly-thought that is, are coming in to Me and walking the earth as Me. The lonely in heart, the meek of the earth inheriting the kingdom, the kingdom now, the kingdom on earth, the kingdom of heaven displayed now on earth, the kingdom of heaven operating in fashion and form of Me before My finale. Yea, in innovation, creating, beholding Me the Creator, beholding them, the co-creator; creating in Me, lifting their heads not above Me, but submitted, surrendered, drink offering'd, master disciples who master disciples make now, operating in the fashion and form and fullness of Me, yea, before My finale; yea, now, today; September, October, 2005; before and after; yea, watch Me! Watch Me master makers make. I love you. I give you Me; My word comes forth; My word comes forth with such delight, such delight and such power; and the power of My word and the word of My power will be increasingly seen, heard, become, fulfilled. Yea, behold Me. Behold what I am giving you. Behold what I am saying. Behold the day of Joel 2 released; Acts 2; My New Covenant in fullness; My New Covenant coming forth, yea, in the earth.
2. Behold Me and step not back My who are afraid, timid and shy and think this is not for you. Way made, provision provided, way of escape not, escaping not into surrealism or man-made etherealism, mysticism based on occultism, nay. Yea, this is the taste of heaven; this is the forerunner spirit being embraced, so embraced, so released, so fashioning, informing, enroleing, role model being for My who role model take of My role model, the role model of Me: the role model not of history; but of the living, breathing relationship with only Me: visible, tangible, tangible reality being; watch Me.
3. Wherefore, therefore, now for, who with, forthwith come to Me; yea in the wee hours and enjoying the burden not, but the yoke that is so easy and the burden that is so light, that can come and enjoy the light with only Me. Intercourse'd matrimony daily, nightly, in multiple moments of feeling your touch, each other's touch and presence, transcendently knowing and operating in the beyond, Third Heaven today on the earth. Watch Me and smile. Abase not My beauty and base not thoughts in baseness as I speak of intimacy with Me but through My purity, your purity, our purity. And purity requisite; purity purified through death and members submitted, surrendered; yea, drink offering'd all must be, must come, operate, live in and live by. I love you. My beauty

see; My beauty live in; My beauty be and think not My beauty has to do with comeliness and formliness of man's invention, covering or makeup or culturalized considerations.

4. Yea, watch Me; see Me. See what I value, see what I call beautiful. Look at the works of My hands: the sunsets, the sunrise, the heavens, the stars, the constellations, light of lights, Father of light, radiance of only Me; Spherical and healing; creating through My young, naive not; little ones so powerful, so engaging, so trusting, so trusted. I love you. Thank you for delighting in My touch, not begrudging your time; yea, smiling. Thank you. Thank you. Thank you.

5. I come and I call and I conquer and I come so often, and I call so often, that I say so often that “I come and I call and conquer”-- I do -- with My love who will let Me, who will open to Me, open to My arms, open to My words of beauty and bathe in My liquid love, My truth which cleanses.

6. Come and buy of Me, from Me, that which does not perish, no money required (1); no offerings needed; yea, drink offering be, sacrifice of praise, flesh of My flesh, bone of My bone coming unto Me, Me being. Transformation? Ah, see Me; Covenant, My Covenant; yes, Melchizedek began. Oh, oh, watch Me; watch Me. Search Me out and be clean, eating My scrolls, cleansing, complementing, corroborating, continuing in My word which was not only; but was and is and is to come; living, breathing and made life in My creation, My word made flesh. Yea, yes, absolutely! Indubitably, unequivocally, absolutely!

7. Smile, and enjoy Me. Enjoy My emphasis, My repetition, My declaration, My proclamations, My that comes forth now at the speed of light and in voluminous volumes; I told you before. Yea, chapters and books even before breakfast; in one setting, subject and subjects you know nothing of; subjects of only Me being revealed now by Me at My knee; into you and those who will let Me freeform be in their form, their fashion and their future not; but their now, on in to their future now being. I love you. I give you Me. All comes together in such beauty, such beholdment of only Me. Oh, My goodness, My kindness, My tender mercies, My handy ones enjoying Me, embracing Me, in fashioning the potters who on wheels make such magma, infinitesimal beings of only Me. I love you.

8. Magnify Me and revel in My presence; smile more as you smile more; and smile more, yea, indeed, with the power of My smile and the smile of My power. My aroma, My fragrance, My beauty; beautifying now My creation in every vocation; yea, every vocation; yea, every vocation; every vocation, yea. See Me. My ruleless heart now rules, My panting heart palpitating for My precious ones who I died for, who came through Me, who now conquer time and space. Watch Me. Fear Me not, little flock, for it is My pleasure to give you My kingdom; your hour is now, your day is at hand; shrink not back from the task beforehand, before your hands. And let not your mind destroy your mouth, delay your future, defeat your destiny laid out in "My Who Love Me" book (2), who I formed and fashioned and precluded no one. I love you.

9. My holiness comes forth; My righteousness, My glory, My authority, dominion and power given already. Oh, fortitude, tenacity, monocular'd vision'd ones who in My vision see now My vision, to behold My vision using My vision, operating with My vision, implanting My vision, releasing My vision for My to behold Me in all of My glory and splendor; Majesty, honor and dominion all.

10. My quarters empty not, but full; fullness overflowing with; with fullness freeing-izing My freedom seekers who operate in freedom with the flowing grace of the beauty of My holiness. Watch Me; watch Me as I enhance the beauty of My already beautiful, beautiful in Me. Yea, the meek; the meek arising, the meek inheriting, not centuries ahead, now, today. Today now is; fashion and form of only Me freely given, freely received; operating in so freely. Cost? everything, receive then all that I am, all that I have, all that I ever will be entering into. I love you. I glorify your name; I glorify your cross, your death, your resurrection, so poignant, so powerful, so precious, every one: My Christs and Christ operating in, Christ being to My sphere of influence, My sphere of operation which unlimited is. I thank you.

11. Seas of only Me now you go over, watching Me perform My daily rituals not in liturgy; but lasting, lingering moments now that I enter into with managed-not times that linger of Me together, and permanent become with those who want Me enough. Surrender required; watch Me. Holiness and righteousness, without which no man, no woman, no one will see My face. I love you; I give you Me.

12. Thank you for the brace, the breath, the beauty of your smile as I awake and I listen to Me speak and I see your joy and I feel your inflection, reflections of Me--I love you--**fortitude, tenacity, diligence, discipline, dedicatory consecrating acts which continuously form chains of DNA in Me**. Watch Me; behold Me.

13. My anointing oil is, comes, is now, using so often, I thank you. I thank you so much, yea, kneeling anointing yourself with oil of Me, majestic being. Thank you.

14. **Yea, "forgiving my sins" so important**, operate in increasingly, daily speaking My forgiveness; being Me; transforming transubstantiation-not; Covenant, inter-exchange of only Me; entering the inner beauty, the beauty of holiness, the beauty of Me, Me-ing all now who so powerful are if they only knew, if they ONLY knew; now knowing more and more and operating in increasingly in the beauty of holiness in the wee hours; their closets, their inner person, the majestic now displayed in the outer person to the tangible, visible, through the Godhead of only Me; surrendered to Me now; seeing Me in their mirror every day; their mirror always, with every look, with every glance I am there looking. And that I am smiling at My who love Me; embracing, embracing the power of beauty and loveliness of My creation; wanting to come forth in more beauty and more power and more creativity, creatively innovating and solving the pagan plagues and platitudes of religion's repeaters.

15. Watch Me; watch Me do what I only can do; what I will do not, what I am doing now. Watch Me with those; and those only who came through Me, not a thief, and not

rendering judgement but mercy; equity of only Me and My table; **My value system being**.

16. Watch Me behold the Me in Mine, in My marvelous Mighty Many; the magnitude increasing; magnetometers exploding, going wild; as are so many who cannot convey; and confuse My power; what I am doing; where I am doing it; who I am doing it with; so confoundedly. Yet in such perfect beauty; array of only Me foretold, fore-scribed by My scribes. I love you. My Ezra read again and speak with only Me; more there, more to come, more is.

17. Dig into Me and speak My words more and, that, those; they which are so strong and so powerful, yea, speak My words given. Declare Me into the heavens, declare Me into the neighbors, your hoods all. I love you.

18. Thank you for derelict not being; but diligently coming and delighting, delighting, delighting to behold and embracing Me, in loneliness not; but abundance of fullness and fullness of abundance; yea, which now comes without measure, without measure. Replenished at request.

19. Yea, I declare, I decree, My word stands; Yea, for Me, My temple built; My temples built; My temples completed in the knowledge, wisdom, and understanding; convergence of only Me. Conversing Me, conversing with Me, embracing Me in intimacy like this and more, more; yea, so much more, so much more, so much more coming; so much more all is. I love you.

20. **Universities flourish in My name, label of only Me, no one ashamed of My gospel, no one concerned about My blood, no one concerned about political correctness which incorrect is; for knowing My blood they will. Being My blood, they know they are one blood, one family, operating in My blood, My blood flowing in their veins, their motives, their words, actions and deeds. Yea, not being concerned about how to so carefully state this or that; but being Me, being My ideology displayed, actions and result of only Me. I love you. Behold My magnanimous magnitude now which comes into display, center stage. Yea, Me, you, My beauty behold on crowds, continuums of only Me.**

21. Thank you for your meekness, your power surrendered, to be empowered fully by My power, My authority given, all, My all authority already given, now exercised increasingly; accelerated by only Me in My times with you, My times with you. My times are in your hands; Your hands/My hands; My time/your time; your body/My body, our bodies exchanged; My body and My blood being My Priesthood of all Believers; leading, leading, leading in Me; leading up Me; yea, releasing so many freedom'd leaders who lead in freedom, form and fashion of only Me. I love you; I thank you.

22. I give you praise and honor and glory with the praise and honor and glory you give Me so often in such joy; deliberately, yet flowing so easily from your lips, your mind, your heart, your spirit, altogether one; form and fashion the words, declarations, decrees of only Me. I love you.

23. Decree the operation of My Mighty Many, The Priesthood of All Believers, operating in The Order of Melchezidek, in the wee hours, moments; yea, center stage for eternity. I love you; I give you Me.
24. Go, glow and grow and be concerned with your checkbook not; balances of only Me. Arise in the fullness of My supply; My supply unending, replenished by request. Yea, altogether lovely; altogether no lack whatsoever; you know that and you know that so deeply. Preach, teach, and be forever and evermore; forevermore'd you are. Thank you. Death defying delivery system maker, thank you. Thank you so much; thank you so very much. Thank you for smiling. Thank you for enjoying Me, My presence, My words and being so unconcerned about apparent lack, apparent rejecters, appearances that deceive and represent reality so visibly, momentarily, momentarily, only momentarily.
25. I love you and I give you Me in the fullness and form and fashion that you know that I so desire; in the fullness, yea, in the fullness of time not; yea, today. Today now is and I answer all of your wants, all of your needs not; all of your wants, Ted, all of your WANTS; ALL, for you want nothing now but Me. And yea, all that you ask is My joy to supply. Rendered unto Me in 'my all/Your all' you have and you know; returning never, going forward in Me, pressing in to no man's land not; but where no man has gone; so open to the lovely, the beautified, those receiving Me; comeliness not, fashion and form of Me; My beauty. Into Me see, walking into My fullness. I am so excited! Leading so many into My chambers, My quarters, the fullness in Me you are. I love you.
26. Worship and praise of only Me; accolades of men, women, that destroy: quell.
27. See and hear only Me and the joy that I bring; enraptured joy with only Me; No flesh compares or contends the beauty of Me that you know, you know you know, you now know that you know even more; **My members all/your members all, the beauty of holiness.** I love you.
28. Tremor not, shake not nor let shadow fall for all shakes and shadows are so soon, moments, moments, moments in time of which I am. I am I Am and I Am says thank you for I Am-ing My body and for redundantly replicating Me; multiplicity of only Me; Me empowered Me'd ones; Mighty Many marvelous, ensplendored, en masse speaking Me, being Me, receiving the fullness of My heart. My thoughts being written into their mind, into their hearts, coming through them, fashioned and form and display of only Me. I love you and I give you Me; wholeheartedly Me, wholly Me, holy. I thank you.
Good night.

(1) Isa 55:1-3 "Come, all you who are thirsty, come to the waters; and you who have no money, come, buy and eat! Come, buy wine and milk without money and without cost. Why spend money on what is not bread, and your labor on what does not satisfy? Listen, listen to me, and eat what is good, and your soul will delight in the richest of

fare. Give ear and come to me; hear me, that your soul may live. I will make an everlasting covenant with you, my faithful love promised to David.
